

DEDICATION

PDG JAMES D. "JIM" JONES

This directory is dedicated to two special Lions who have served the district and their clubs with enthusiasm, dedication and devotion. First, to Charles Barnaby, Corsicana Lions Club, who introduced me to Lionism and showed me how to serve my club to the best of my ability. Charley worked tirelessly raising money for Lions projects and being a mentor to all young Lions. He also gave of his time and money to the youth at the Corsicana State Home, serving as chairman of the Volunteer Association and being named the State Volunteer of the Year. Secondly, to PDG James Doyle "Jim" Jones, whose encouragement and friendship got me involved in Lionism on a district basis. His

dedication to duty extended to his family, his military career, his vocation, his church, his friends and on into Lions Clubs. He, too, worked as a volunteer at the Corsicana State Home and served as its Chairman when Charley retired. He worked tirelessly as a District Governor working to start new clubs and maintaining membership in the existing clubs. He served as a mentor to District Governors and was a true friend to all. The legacy of Charley and Jim will live forever in District 2-X3 because of the lives they have touched.
